

BUILDING MATERIALS CO.

"THE HOUSE THAT SERVICE BUILT"

August 1, 2016

TO OUR VALUED CUSTOMERS:

The manufactures have announced the following price increases and will take effect as follows:

<u>Products</u>	<u>Date of Increase</u>	<u>Amount of Increase</u>
Steel Studs & Track	08-01-16	5-10%
Metal Lath & Trims	08-01-16	5-10%
Plastic Components Trims	08-06-16	5%

Special Notice:

There is a shortage of steel in the US market and high tariffs on the import steel. We expect the steel market to be very volatile over next few months. As you can see there is already back to back to back increases announced. Order lead times are also stretching out to 14-20 days, so please plan accordingly. All steel pricing will be based upon the market price at the time of shipment not the time of order placement. We will do our best to keep you posted on this situation.
